Royal Unibrew in brief

Royal Unibrew is a leading regional multi-beverage company with strong local brand portfolios in our main markets in the Nordic region, the Baltic countries, Italy, France and Canada. In addition, our products are sold in more than 70 countries in the rest of the world.

We strive to offer our customers a broad portfolio of high-quality beverages, which accommodates our consumers' demands across a wide range of categories, including beer, malt beverages, soft drinks, energy drinks, cider/RTD, juice, water, wine and spirits.

Our business is based on a solid foundation of strong local brands. As for Northern Europe, our local brands are accompanied by well-known international brands on license (PepsiCo and Heineken) and trading goods (e.g., Diageo), whereas for Canada it is a mix of our own brands and agency brands.

We want to be THE PREFERRED CHOICE as local beverage partner that challenge the status quo by doing better every day in a fun, agile and sustainable way, creating good and enjoyable moments for our consumers.
